Candy Cane Ballerina Ornaments

For best results print on card stock.

1. Ask an adult to help you cut out both of the Candy Cane Ballerinas and her skirts along the dashed lines.
2. Using a glue stick, glue the backsides of the Candy Cane Ballerina together so that the image is facing out on both sides.
3. Using a glue stick, glue the underside of the skirt to the top, matching the backs.
4. Cut the black line marked on the top skirt, cutting through both skirts.
5. Slide the skirt onto the Candy Cane at the base of her top.
6. Using tape, tape the slit closed on the underside of the skirt.
7. Use another small piece of tape to fasten the skirt to the Candy Cane Ballerina.
8. Make a hole at the top of the ornament where indicated.
9. Hang it on your Christmas tree and enjoy !
